Book Fees & School Voluntary Contribution for 2014

The Book Fee Levy is $150.00 and is a compulsory payment for each child. It is for items the students directly consume, text books, pens, pencils, writing paper, exercise books, costs related to photocopying, computer print outs, art supplies are all included in this cost.

The Voluntary Contribution Levy is $20.00 and is to support general programs, improved computer provision and given the low attendance at working bees and the constant need for maintenance and grounds’ improvements we will continue to employ a handy person.

The Victorian Government is restructuring the Education Maintenance Allowance (EMA) from 2014 to better target financial support to families on lower incomes. From 2014, schools will no longer receive EMA payments on behalf of parents, these funds will form part of the school Student Resource Package and allocated at the local level.

As a consequence during 2014 it will/ may be possible for the school to subsidise some excursions, camps, footsteps/circus skills or other visiting presenters.

The school offers flexible payment options to all families and we are happy to discuss how we can help you make payments. We accept cash or eftpos. Instalment payment books are available from the office.

*Please complete and return the slip below with your payment by Monday 3rd February, 2014.*

Should you wish to discuss this please contact the school or one of your school councillors.
