- ✓ Students love Mathletics and they become highly motivated to improve.
- ✓ Mathletics responds to your child's individual strengths and weaknesses.
- ✓ Students instantly know if they are on the right track and they can improve at their own pace.
- ✓ Step-by-step animated support guides students through concepts. It's like having a maths tutor available 24 hours a day!
- ✓ Practice tests help accelerate learning and lift exam results.
- ✓ Provides the perfect link between home and school.
- ✓ Weekly reports emailed to parents.

“We're absolutely delighted with the love of Maths it has fostered and the thrill of achievement that has resulted.”
Sue Floro, Tara Anglican School for Girls, NSW (Teacher)

Your school has organised a 24 hour Home Licence of Mathletics for your child. This means students can work in their own time, at their own pace, anywhere that they have access to the internet. Importantly, all their work is automatically integrated with the school's learning program.

Register as a Parent

To see your child's progress and receive weekly reports

1. Visit www.mathletics.com.au/parent
2. Follow the prompts (You will need your child's username and password)

There is no additional cost for you to register.
