

NOBLE PARK PS

What's happening in the *Junior Learning House*?

FOUNDATION

The Foundation students have settled in well and are very

quickly learning all about their new learning

environment. This week the students have been exploring different letters and sounds of the alphabet and learning all about the numbers 1-10.

Year 1

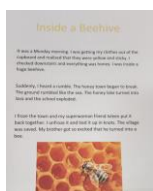

The students in Year 1 have started the year with confidence and have been ready to learn. It is great to see the students coming

to school each morning with a great big smile. In

Mathematics, the students have been exploring different counting patterns. They can count by 1's, 2's, 5's and 10's!

Year 2

The students in Year 2 have been great role models in the Junior Learning House. This week in English,

the students have been writing narratives. They have learnt about the features of a narrative text and developed their own characters within a narrative text.

FROM THE PRINCIPAL'S DESK

ROAD WORKS ON BUCKLEY STREET

From Friday 3rd of March, there will be road works taking place on Buckley Street. These road works will take place for two to three weeks. As a result of these road works, parking will be limited along Buckley Street during drop off and pick up times. Parking in side streets is available for parents/carers during drop off and pick up times. Thank you for your support and understanding.

SCHOOL COUNCIL

School Councils play a key role in Victorian Government schools – supporting the Principal to provide the best possible educational outcomes for our students. As the 2023 election process has now concluded I can confirm that the following people are declared elected as members of School Council for the 2023 – 2025 period.

- Parent member: Nursel Ali
- Parent member: Nural Farah Antashha Norizan
- Parent member: Ryan Chapman
- Parent member: Jenny Frieden
- School employee member: Sarah Sarlo

These five School Council members will join Nikoleta Bakalis (parent member); and myself and Susan Vissenjoux (school employee members).

BOOKS IN HOMES

Books in Homes Australia's (BIHA) vision is to create an Australia where every child and family has access to books in the home. It is a charitable foundation that provides books of choice to children, ensuring early literacy engagement and the development of reading skills needed for lifelong achievement. Mainfreight are the generous sponsors who provide significant donations, in order for our school to participate in the program. This week the students were very excited to take home their special BIHA bags, filled with new books. We will host an assembly on Friday 31st March at 2:30pm in the hall where we will welcome our BIHA and Mainfreight visitors. This is a chance to express our gratitude and enjoy a special presentation from an author. All families are welcome to attend.

HARMONY DAY

On Wednesday 5th April, Noble Park Primary School will celebrate Harmony Day. An invitation will be sent to all families via the Parent Portal. More information to come!

Until next time, take care.

Jodie Pyman
(Acting Principal)
