

NOBLE PARK PS

FROM THE PRINCIPALS DESK: 31st July 2023

Swimming Program – Term 3

The students have been enjoying the swimming program which commenced on Monday 24th July 2023. They have engaged in lessons that teach lifelong water-safety skills in a safe and supportive learning environment. Please ensure that your child has bathers, a towel, goggles and a water proof bag. I would like to thank all of our wonderful teachers for ensuring that our students are safe at the pool and for encouraging them as they learn new swimming skills.

Foundation 2024 – New Enrolments

To help us with planning for 2024 we are asking families with children who will be starting school next year to enrol before the end of August. And don't forget to spread the word! If you know of any friends or neighbours who intend to enrol their children at our school (or would like a school tour) please encourage them to phone the office. Enrolment forms are available at the office and interpreters are also available to assist with translation.

Lost Property

In winter and during the swimming program, uniforms, bags and towels are lost! Please ensure that your child's name is visible on all uniform and swimming items. If you would like to look through lost property items, please ask our friendly office staff for directions.

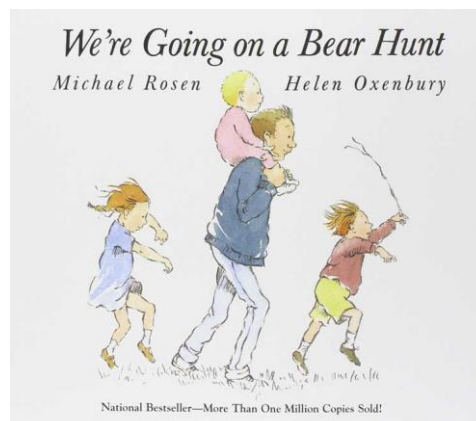

Book Week Celebrations!

On Thursday 24th August, Noble Park Primary School will be celebrating Book Week. Children are encouraged to come dressed as their favourite book character. The day will commence with a parade on the basketball court at 9:15am and families are very welcome to attend! In the afternoon the students will watch a live performance called *Treasure Island*.

Stay safe and take care.
Jodie Pyman
Acting Principal

NOBLE PARK PS

Respectful Relationships

Respectful Relationships is a Department initiative that supports schools and early childhood education settings to promote and model respect and equality. It also supports educators to teach children how to build healthy relationships, resilience and confidence. By taking a whole school approach, Noble Park Primary School is committed to embedding a culture of respect and equality across the whole school community, for our classroom to staffrooms, sporting fields and assemblies. This approach leads to positive impacts on students' academic outcomes, mental health, classroom behaviour and relationship between teachers.

Recently the Year 1 students participated in a series of lessons that focused on defining how stress can be felt in the body and identifying experiences that can cause feelings of stress. Throughout these lessons, the teachers highlighted and reinforced that different people can find different things stressful. Therefore it is important for the students to understand and respect differences between themselves and others.

100 Days of School Celebration

Excitement was in the air as the Foundation students celebrated 100 days of school on Friday July 21st, 2023. They participated in many activities throughout the day including attending the whole school assembly in costume! I particularly enjoyed dressing up and using my walking stick as I visited classrooms.

Our Patch OSHC at Noble Park Primary School

This is a reminder that school starts at 9:00am. Some students have been arriving at school very early which means that they are unsupervised until 8:45am. An alternative option is to enrol your child in Our Patch Before and After School Program. Please contact Our Patch at Noble Park Primary School - 0437 026 806.

Hours of operation are as follows:

Before School Care: 7am – 9am

After School Care: 3:30pm – 6pm

Curriculum Days: 7am – 6pm
