### PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

### SCOPE

This policy applies to all teaching and non-teaching staff at Noble Park Primary School, including education support staff, casual relief teachers and visiting teachers.

### POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

#### Before and after school:

Noble Park Primary School's grounds are supervised by school staff from 8:30am until 3:45pm. Outside of these hours, school staff will not be available to supervise students.

Before school the front gate will be opened at 8:30am. Students are to remain in the area next to the kitchen or on the basketball court in front of the breakfast club/kitchen between 8:30am and 8:45am. The back gate will be opened at 8:45am, students are permitted to play on the back basketball courts. The oval and playgrounds are out of bounds before 9:00am. Teachers on yard duty will supervise between 8:45am and 9:00am. An Education Support Staff member will unlock the back gate at 3:20pm. Teachers assigned to after school yard duty will supervise from 3:30pm to 3:45pm at the back and front gate. Any students who have not been collected from guardians by 3:45pm will be accompanied by the yard duty teacher to the office.

# NOBLE PARK PRIMARY SCHOOL

Parents and carers will be advised through the Noble Park Newsletter and our website about before and after school supervision and that they should not allow their children to attend Noble Park Primary School outside of these hours. Families are encouraged to contact Our Patch on 0437 026 806 or refer to [Noble Park Primary School program profile – Our patch](#) for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

## Yard duty

All staff at Noble Park Primary School are expected to assist with yard duty supervision and will be included in the weekly yard duty roster.

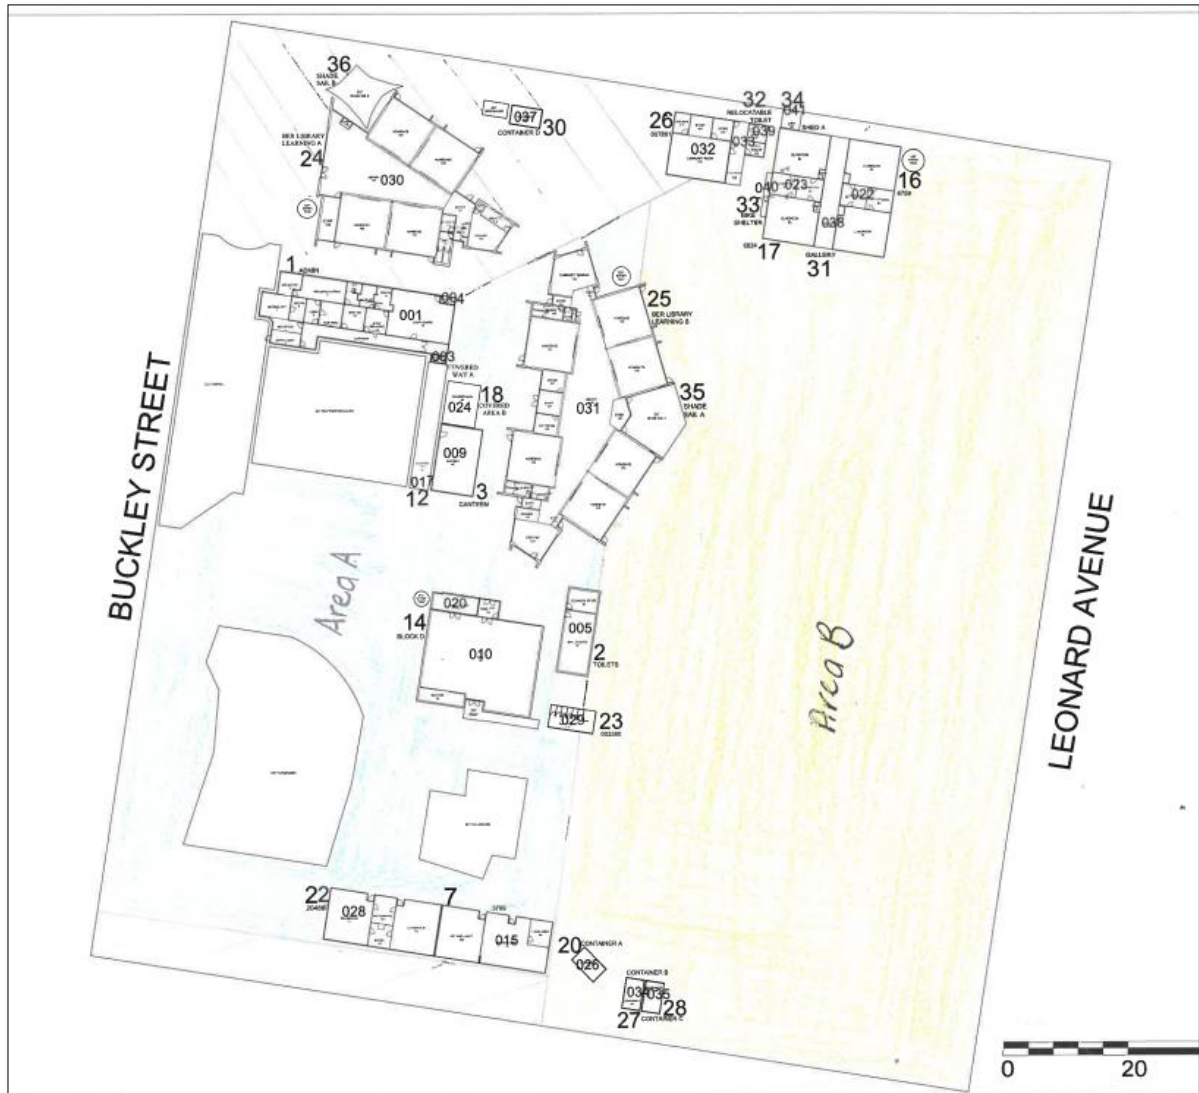

The Assistant Principal is responsible for communicating the Yard Duty roster via Sentral. The Assistant Principal is responsible for preparing and communicating any changes to the roster via the Daily Bulletin on a daily basis. At Noble Park Primary School, school staff will be designated a specific yard duty area to supervise.

## Yard duty equipment

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in the hall way next to the staffroom.
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bag will be stored in the hall way next to the staffroom.
- Be familiar with the yard duty information pack containing student health and safety information
- Carry their mobile phone with them on yard duty and call the office in an emergency situation

# NOBLE PARK PRIMARY SCHOOL

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

## Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- staff are required to methodically move around the designated zone ensuring active supervision of all students.
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in at the office (excluding drop off and collection periods)
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Sentral and/or speaking directly to the Assistant Principal and eduSafe Plus if applicable.
- Regularly acknowledge positive behaviour through our school wide raffle ticket system

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made. If a staff member needs to swap a yard duty with another staff member, they need to inform the Assistant Principal and write the amendment on the hard copy yard duty timetable located in the staffroom.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should call the office to make an announcement over the loudspeaker and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

## Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

# NOBLE PARK PRIMARY SCHOOL

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact their Sub-School Team Leader, then the Assistant Principal for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

If a student needs to leave the class at any time they must be accompanied by another student or member of staff

## School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

## Digital devices and virtual classroom

Noble Park Primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

Noble Park Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in a central learning space.

## Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

## Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision. In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

## COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Included in staff induction processes
- Discussed at staff briefings or meetings, as required
- Made available in hard copy from school administration upon request
