January 2026

Dear Parents/Carers,

Noble Park Primary School is looking forward to another great year of teaching and learning and we would like to advise you of our school's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum, and we want to assure you that all contributions are voluntary and that students of families who are unable to make a contribution are not disadvantaged in any way. However, ongoing financial support of our families helps our school to enhance the learning experience beyond the mandated curriculum, for example, through special curriculum experiences, additional resources for learning opportunities and enhanced digital learning opportunities.

For further information on the [Department's Parent Payments Policy](#) please see a one-page overview attached. All classroom supplies will be provided directly to the classrooms in bulk. Teachers will distribute stationery and other supplies to students as needed.

Please find attached our 2026 Voluntary Financial Contributions Schedule outlining the breakdown for each area. Online payments can be made via EFT or CASH from **Thursday 30th October 2025** at the school's office, or by Direct Deposit. Please refer to Payment Methods listed below.

We want to thank you for your support, whether that's through voluntary contributions, or volunteering your time. This helps to make a difference to our school and the programs we can offer.
