

# NOBLE PARK PS

October 2025

Noble Park Primary School - Vision

We aspire to create an inclusive school community that embraces opportunity, and inspires individuals to collaborate, learn and achieve.

## Noble Park Primary School - Values

Be Responsible	We own our choices and our behaviour.
Be Safe	We look after each other through the choices we make.
Be Respectful	We accept each other for who we are.
Be Kind	We use our words and actions to show we care.

### Be Kind Values Launch – Friday 10<sup>th</sup> October (9am – 11am)

On Friday 10<sup>th</sup> October 2025 the whole school will be engaged in our Term 4 Values Launch. Each learning house will have a short assembly to re-engage with the values meaning statement 'we use our words and actions to show we care' while boosting a sense of belonging and connection with each other. A Kindness Quilt will be created in each learning house, and a Welcome Circle will provide an opportunity for students to share ways that people can be kind to one another. Students, parents, carers and staff are encouraged to wear a 'touch of blue'.

### School-Wide Positive Behaviour Support Acknowledgements

Well done to the following students who have already achieved BRONZE and SILVER in our System of Acknowledgement this week. It is also wonderful to walk through our Learning Houses and seeing how many students have already received an affirmation for demonstrating our Term 3 Value 'Be Respectful. These students are being recognised for consistently demonstrating behaviours which are aligned to our 4 school values and outlined in our Matrix of Expectations. Keep up the fantastic work!

## Brainstorm Productions – Being Brave!

On Tuesday 28<sup>th</sup> of October 2025 Brainstorm Productions will be presenting their student wellbeing performance 'Being Brave' for our whole school across 2 session times. 'Being Brave' is a live educational theatre performance that gives students positive strategies to cope with emotions and deal with bullying, change, loss and other challenges. 'Being Brave' is part of our student wellbeing curriculum and has been developed by teachers and psychologists. This engaging live performance addresses student wellbeing issues with sensitivity and provides practical skills for resilience, help-seeking and positive connections.

## Time to Plan Ahead

We are beginning to look at our enrolment numbers and whole school structure for 2026. If you have any intentions to unfortunately leave Noble Park Primary School in the next 6 months, please let the office know as soon as possible. Your decision does not need to be confirmed and does not mean your child loses their spot if you change your mind but giving us this information in advance is very helpful. This information is vital for the school to budget and plan for staffing in 2026. We do not want any children to be in classes that are too big or only have a few students, but this depends on us knowing who will be here. If you expect to be moving house, travelling overseas or you know your Visa is expiring, please communicate this to the office as soon as possible. If you know anyone in the community who has child/ren commencing in Foundation and have not enrolled, please encourage them to call or visit the office. We are always happy to help families with the enrolment process.

## School Council - Noble Park Primary School

The time and dates for School Council meetings have changed! Our school currently has 2 parent member positions and 1 community member position available on School Council. To experience what a School Council meeting is like, parents and carers are welcome to attend one or all of the following meetings to observe how a meeting is run and what topics are discussed.

The last three School Council meetings for 2025 will take place in the staffroom on:

- Thursday 23<sup>rd</sup> October @ 9:15am
- Thursday 20<sup>th</sup> November @ 9:15am
- Thursday 11<sup>th</sup> December @ 9:15am

Morning tea and child care will be provided!

## General Reminders for Parents and Carers

- Due to the possibility of unidentified students with allergies, and in response to the Department's Anaphylaxis Policy, students sharing food is not permitted in home groups. This is particularly relevant to birthday celebrations in home groups. As an alternative, sharing pens, pencils, stickers or any other 'non-food' related items is appropriate.
- Please ensure that your child/ren brings a plastic water bottle to school. Glass water bottles are breakable and if they shatter it can pose a safety risk to students and staff.
- Please ensure that your child/ren do not bring chewing gum to school. Chewing gum can pose health and safety risks. It can also damage school property because it is challenging to remove from surfaces. This can lead to maintenance and repair costs.

## Respect our School Staff

You may have noticed some posters up around our school, promoting positive and respectful behaviours. When parents, carers and school staff work together as one team, our students do better. Everyone at school, particularly staff and parents/carers, play a role in making school a better place for learning and work.
