Annual Report to the School Community

The Annual Report to the School Community provides a summary of our school's achievements, progress, and areas for improvement over the past year. It highlights student outcomes, school priorities, and community engagement. This report helps keep families informed and supports our commitment to continuous improvement. Please find a copy of the 2024 Annual Report to the School Community on our [website](#).

The Importance of Being at School Before 9am

Arriving at school before 9am helps students start the day calmly and sets them up for success. The first part of the day includes important routines, instructions, and learning that help students feel settled and ready to learn. Being on time supports your child's confidence, connection with classmates, and overall achievement. At Noble Park Primary School, teacher supervision is provided from 8:30am (at the front of the school) and students can attend the Breakfast Club for a nutritious breakfast to start their day!

NAIDOC Week

NAIDOC WEEK

NAIDOC Week celebrations are held across Australia in the first week of July each year (Sunday to Sunday), to celebrate and recognise the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC Week is an opportunity for all Australians to learn about First Nations cultures and histories and participate in celebrations of the oldest, continuous living cultures on earth. Next week, students will be engaged in learning opportunities linked to NAIDOC week while embracing the stories and teachings of the oldest living cultures in the world.

School-Wide Positive Behaviour Support Acknowledgements

Well done to the following students who have already achieved BRONZE and SILVER in our System of Acknowledgement this week. It is also wonderful to walk through our Learning Houses and seeing how many students have already received an affirmation for demonstrating our Term 2 Value 'Be Safe'. These students are being

recognised for consistently demonstrating behaviours which are aligned to our 4 school values and outlined in our Matrix of Expectations. Keep up the fantastic work!

Future Enrolments for Foundation for 2026

The timeline advises families when and how to enrol their child into Foundation (Prep) at a Victorian government primary school, including Noble Park Primary School. All government primary schools will follow the timeline in 2025 to support Foundation (Prep) enrolments for the 2026 school year. You will be able to apply to enrol your child in Foundation (Prep) 2026 at Noble Park Primary School from 22 April 2025.

Contact our school on (03) 9546 8811 or email noble.park.ps@education.vic.gov.au to book a school tour or to learn more about our school and the enrolment application process. All enrolment forms must be submitted by Friday 25 July 2025.
