Behavioural expectations of students are detailed in our school's [Matrix of Expectations](#).

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Bullying will be managed in accordance with our [Bullying Prevention Policy](#).

If a student is not demonstrating the expected behaviours, the Noble Park Primary School, School Behaviour Response Continuum is used consistently across the school. This approach gives students multiple opportunities to make a good choice in line with our Matrix of Expectations and Department's policies on behaviour, discipline and student wellbeing and engagement. Whereby appropriate, parent/carers will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- reminding a student of the expected behaviour
- teacher controlled consequences such as time to reflect or relocating the student to support them to reset or other reasonable and proportionate responses to misbehaviour
