NOBLE PARK PS

July 2026

Noble Park Primary School - Vision

We aspire to create an inclusive school community that embraces opportunity, and inspires individuals to collaborate, learn and achieve.

Noble Park Primary School - Values	
Be Responsible	We own our choices and our behaviour.
Be Safe	We look after each other through the choices we make.
Be Respectful	We accept each other for who we are.
Be Kind	We use our words and actions to show we care.

WELCOME BACK TO TERM 3!

I hope everyone had a safe, relaxing and enjoyable holiday break.

I would like to formally introduce myself to the Noble Park Primary School community. My name is Carly Jamar, and I am delighted to be joining your school community as Acting Principal while Jodie is on leave throughout Term 3.

I have already had the pleasure of meeting many of you in the school yard before and after school. If we haven't had the opportunity to meet yet, please come and say hello and introduce yourself—I would love to meet you. I am incredibly grateful for the warm welcome I have received from our staff, students and families.

I am looking forward to an exciting and busy term ahead. Today, our Year 3–6 students enjoyed participating in the Athletics Carnival, and next week we are excited to begin our whole-school swimming program. These opportunities provide valuable experiences for our students to build confidence, develop new skills and enjoy being active alongside their peers.

On Thursday, 30 July, we will be sharing our 2025 Annual Report with the school community. We warmly invite families to join us as we reflect on and celebrate the many achievements and successes of our school over the past year.

I look forward to working alongside our wonderful students, staff and families throughout the term and continuing to build on the strong sense of community that makes Noble Park Primary School such a special place.

Carly Jamar

Acting Principal

SHARING OUR LOVE OF LEARNING IN FOUNDATION

Our Foundation students recently celebrated an exciting literacy milestone by learning all 26 letter sounds with a special *Milo's Birthday Surprise* celebration. During their Little Learners Love Literacy phonics lessons, students revisited the story, consolidated their knowledge of letter sounds, and brought the book to life by creating colourful masks of their favourite characters. It was a joyful celebration of their hard work, growing confidence, and enthusiasm for learning. We are incredibly proud of everything our Foundation students have achieved this semester and look forward to seeing their literacy skills continue to flourish.

In Numeracy, our Foundation students have been exploring the exciting world of Measurement, with a focus on length and mass. Through engaging, hands-on investigations, students have compared and measured everyday objects using informal units while developing their mathematical vocabulary. Learning has been brought to life through songs, games, and interactive experiences that encourage students to explore, predict, discuss, and discover. It has been wonderful to see our young learners building their confidence, curiosity, and problem-solving skills as they investigate the world around them through meaningful and engaging learning experiences.

SHARING OUR LOVE OF LEARNING IN PHYSICAL EDUCATION

Over the past two weeks, our Year 3–6 students have been preparing for the Athletics Carnival during their Physical Education (PE) lessons. Students developed their skills across a range of events, including high jump, long jump, and shot put, while also building teamwork and collaboration through relay training.

Congratulations to all of our Year 3–6 students and staff who participated in the Athletics Carnival at Ross Reserve on Friday 24 July. It was wonderful to see so many students demonstrating enthusiasm, determination, teamwork, and outstanding sportsmanship throughout the day. Students consistently demonstrated our school values of **Be Safe,**

Be Kind, Be Respectful, and Be Responsible, representing Noble Park Primary School with pride.

A sincere thank you to our teachers, education support staff, and parent volunteers whose support and organisation helped make the carnival such a successful event. We are incredibly proud of the way our students conducted themselves and represented our school community.

Swimming Program Reminder

A reminder that our Foundation–Year 6 swimming program begins on **Monday 27 July**.

To help lessons run smoothly, students are encouraged to wear their swimmers underneath their school uniform on their allocated swimming day. Please ensure your child brings a swimming bag containing:

- a towel
- a plastic bag for wet clothing
- a change of underwear
- goggles (recommended)

Swimming caps will be provided by the school.

We look forward to a fun, engaging, and rewarding program as students continue to build their confidence and develop their swimming skills.

Breakfast Club

Breakfast Club operates every morning from **8:30 am to 8:55 am**, providing students with a range of healthy breakfast options in a welcoming and supportive environment. It is also a wonderful opportunity for students to socialise with their peers and start the school day feeling ready to learn.

Breakfast Club is free and open to all families each morning. We look forward to welcoming you soon!

Foodbank Community Pantry

Every Friday morning from 9am – 11am, parents/carers are invited to attend our Foodbank Community Pantry. If you would like further information about this program, please contact Kate on 9546 8811.

FUTURE ENROLMENTS AT NOBLE PARK PRIMARY SCHOOL

If you have a child who will be starting Prep in 2027, please visit or call our office to organise an interview with one of our leadership team members. This process helps us get to know your child so that we can support them to transition to school.

If you know of a family who is wanting to join the Noble Park community in 202 6, please encourage them to call the office to organise a school tour. Details about the Foundation enrolment process can be found here. Starting Foundation in 2027.
